

The image features the Agilent logo, which consists of a cluster of blue dots of varying sizes arranged in a starburst pattern. To the right of the logo, the word "Agilent" is written in a bold, black, sans-serif font. The background is white with several abstract, colorful brushstrokes: a large blue arc at the top, a red heart shape on the left, a purple circle at the bottom left, and a grey arc at the bottom. A woman in a blue dress is walking to the right, carrying a stack of papers.

Women in the workplace of
Agilent Technologies (China)

Source: Agilent Technologies (China)

Agilent's top management team has been committed to advance the diversity and inclusion culture in Agilent, our CEO signed the CEO Action Pledge for Diversity and Inclusion in 2018, one of the ways to demonstrate the commitment is to support Women's career in Agilent via multi-pronged practices.

At Agilent China, we see women are contributing to the company and the industry. We interviewed some female leaders in the company, got the opportunities to know their challenges and concerns, and how they overcome the hard time, and how they make a good balance between work and family, which are very good experiences to all of us, especially for female employees. The interviews were published on Agilent China corporate WeChat with more than 20,000 viewers.

The background features a large, soft pink shape on the right side, resembling a stylized map of the Americas. It is decorated with several geometric and organic shapes: a teal triangle at the top, a teal circle at the top right, a blue curved line on the right edge, and a magenta hexagon at the bottom right. The overall aesthetic is modern and colorful.

Agilent has various benefit programs to support female employees, for example, we implement flexible working time and offer different choices of working pattern for employees to choose, the best available working time slot can serve both business and personal needs. For hiring, we are **an equal opportunity employer, we're committed to provide a work** environment that is free of harassment, discrimination and disrespectful. We make employment decisions based on valid job requirements without discriminate on sex (including pregnancy, childbirth, breastfeeding or related medical conditions), marital status, etc.

Special thanks to Agilent Technologies (China)
for providing and sharing wonderful stories about
female colleagues in its organization.

Thank you!
